AVANTS EVEN UP SERIES WITH NUGGETS BY CLOSE BATTLE, 12 TO 10

Coming from behind in the seventh inning and staging a rally that netted seven runs the Avants evened up their series with the Nuggets and won the sixth game twelve to ten at the Fairgrounds Tuesday evening before a crowd of about three hundred including a large number of fanettes. The game was one of the best seen in the series so far and was a real battle from start to finish.

The Nuggets got away to a big lead scoring six runs in the second inning and adding two runs the next five innings. It took the Avants six innings to drive across four runs and when they came to bat in the seventh inning they were trailing the Nuggets by four runs. A batting rally which bunched hits behind errors gave the Avants seven runs and putting them in the lead. The Nuggets managed to drive in two more runs in the remaindrive in two more runs in the remain-ing three innings while the Avants collected another just to make cer-
